Presentation:

We were fortunate to have Al Bunnell speak to us tonight. The topic was "Drum Fishing" and Al gave an excellent presentation, providing a wealth of practical information on Black Drum, Puppy Drum, and his favorite – Red Drum. Al covered everything from safety, anchoring, locations, temperatures, tides, tools, rigs, technique and baits – he even included a chart copy with some of his favorite spots clearly marked! Al has all of us ready for that first full moon in May, with a flood tide starting at 4pm. . . .

Welcome to new member Jamie Johnson who joined the Club at the meeting tonight. One member renewed their NAC membership tonight as well.

Meeting adjourned at 2030.
