Old Business:

- 1. Past-President Lucian Montagna discussed the upcoming elections, scheduled for the April meeting. He noted those individuals who have volunteered to stand for election to various positions, and highlighted the need for volunteers for the critical positions as Events Coordinator and Assistant Events Coordinator. Lucian also reminded all that only currently-paid members may vote in the elections.*
- 2. Secretary Brian Hodson noted that a proposed change to the NAC By-Laws had been prepared and would be part of these minutes. These changes reflect the addition of new officer positions and a title change for the Activities Director based on popular usage. The proposed changes are an Addendum to these minutes, so they can be voted on at the next meeting.*

Presentation:

- 1. The well-known and highly-popular Otis Ricks was our main presenter this evening, and the topic was Tautoga onitis, or the "tog" or "taug". With a combination of humor, wisdom and 40-years experience, Otis gave a truly awesome presentation that provided a great deal of practical information to the attentive audience. Covering everything from safety, anchoring, locations, temperatures, tides, tools, rigs, technique and baits – including the infamous "slocumb" rig – his presentation had all of us eager to get out to the CBBT to catch some of these challenging and tasty critters.*
- 2. David Arkridge has recently opened a Contender dealership in Virginia Beach, at Marina Shores. He gave a brief presentation about the Contender line, and invited anyone to come ride one of these marvelous fishing boats.*

Welcome to new members Scott Payne, Rory Goggin and Bob Cherry, who joined the Club at the meeting tonight. Four members renewed their NAC memberships tonight as well.

Meeting adjourned at 2010.
