November 13th, 2006
Martins Restaurant

Meeting Agenda:

*Meeting commenced at 1910, called to order by Vice President "Ike" Eisenhower.
All officers present except President Tim Colon.*

Treasurer's report - Checking account - \$985.08. There are hats, visors, LS shirts, SS shirts and sweatshirts available for purchase. LS/SS shirts are \$15 and sweatshirts are \$25.

Old Business: The Events Coordinator, Steve, distributed a flyer for the 2nd Annual BIG Striper Bonanza 2006. The event is scheduled for Dec 15-17. Some questions arose and discussion followed. Additional information will be forthcoming to answer the questions and provide additional details about the tournament.

Our guest speaker was Claude Bain, Director of the VMRC Virginia Saltwater Fishing Tournament (VSFT). Claude made a highly-informative and interesting presentation, in which he addressed such subjects as: the present flounder situation and likely results; the situation/impact of the new North Carolina Saltwater Fishing License; the challenges facing the recreational fishing community; the migratory patterns of such species as flounder, speckled trout, and sheepshead; and the history, status and recent achievements of the Virginia Game Fish Tagging Program. Claude provided a wealth of information, and we should have him return as there is so much more he could share with us.

A 50-50 raffle was held and John Cevora won the \$38 kitty.

Welcome to new member "Kayak" Kevin Whitley, who joined the Club at the meeting tonight.

Meeting adjourned at 2100.

The December meeting will be our Holiday Pot Luck, with Lou Rajnys as the Guest Speaker.

Minutes of the meeting taken by Brian Hodson, Secretary.
