*Presentation:*

*We welcomed Mr. Will Branson as our guest speaker. Capt. Jake discussed the aspects of wreck fishing from a divers perspective. The handouts and underwater photo's from many of Virginia's coastal wrecks were very entertaining and helpful from an angler point of view. Will further shared the best locations on many different wrecks to find very large flounders and togs. Those members in attendance were fortunate enough to have Will provide them with locations of many well known wrecks in the local area. This information will assist any aspiring wreck fisherman find/locate/and target multiple bottom dwelling fish species. Thank you Will for sparing your valuable time to speak with us.*

*Meeting adjourned at 2020.*

*Minutes of the meeting prepared by Darek Dabbs, Secretary.*
