A Message from the Editor

Norfolk, VA – April 2011 –

Folks – This Month, be sure check out the **Vining's Marine Group In Water Boat Show starting on April 14th through the 17th!**

We are pleased to host Captain Mike Beane, of the Blue Dragon to speak on both inshore and offshore fishing. Mike was scheduled for last month but was under the weather and is now feeling better.

Mike is a native of Florida and brings over 20 years of experience of Saltwater Fishing, the last 10 of which he has been a captain and regularly puts his customers of a very nice variety of trophies! It promises to be good fellowship, food and fun and we look forward to seeing you there.

Spring is just around the corner and some of our favorite in-shore fish will be showing up. Offshore, the Tuna bite out of Hatteras has been good. To see how well, turn to the Fishing Reports section!

- So enjoy the enclosed articles, reports and photos. Then **Get out there and Get On 'Em!**

Captain Fletcher Dunton, USCG Lisc.

FISHING REPORT – Elizabeth River Still Producing in April!

Report By: John Brown (JB)

Have had the chance to fish the ER on 3 separate occasions in April. All 3 trips were productive with some nice keeper size Specks still around to make effort worthwhile. You may also encounter a bruiser Redfish.

The one below measured just over 30"...

Quite a battle on light trout tackle.

If you go, the best results we have experienced lately have been in shallow water...2 to 5 feet. Water temps have warmed and the fish seem to be cruising the flats looking for a meal. We are catching on MR 17 Mirrorlures. The 17's are slow sinking and well suited for fishing skinny water.

Catch-Em Up,
JB

Thank you for your Reports!!!

NAC PRIZE FISH CONTEST RULES

Rules regarding our annual PRIZE FISH CONTEST and are posted on the NAC website.

In a nutshell, our rules will closely parallel the Virginia Saltwater Fishing Tournament for saltwater fish and the Virginia Department of Game and Inland Fisheries for freshwater. However, there are a few small differences so please visit the NAC PRIZE FISH CONTEST page on the NAC website.

Most important, we need for everyone to PARTICIPATE in the contest. If you catch (or have caught) a fish in calendar year 2008 meeting citation criteria, simply make a copy of your citation application or fill out the NAC PRIZE FISH ENTRY FORM and provide that to our Awards Director (John Brown) at our next meeting, it's that easy.

At year's end, we will recognize those anglers that catch the "prize" fish in each category plus recognize some overall "Anglers of the Year". Again, please visit the website to learn the details of the contest rules. Let's make our contest fun and competitive, Please Participate.
